Subject: Completeness Determination for a
Construction and Demolition Landfill (C&DLF) - Phase 1
Haywood County C&DLF
Permit No. 44-07, Haywood County, Document ID Number (DIN) 5411

Dear Mr. King:

On June 30, 2008 the Division of Waste Management (Division) received the Closure and Post-Closure Plan for .
Haywood County C&DLF Phase 1. The report is entitled:

- *Closure and Post-Closure Plan C&DLF – Phase 1, White Oak landfill, Haywood County North Carolina (NC).*
Prepared by McGill Associates, Asheville, NC. Prepared for Haywood County, NC. Dated June, 2008. DIN
5031.

The Division acknowledged that Haywood County C&DLF Phase 1 stopped receiving solid waste on June 30, 2008, and performed a review of the above-referenced document for a determination of completeness. Your application has been determined to be complete within the context of N.C.G.S. 130A-295.8(e). A determination of completeness means that the application includes required components, but does not mean that the components provide all the information that is required for the Division to make a decision on the application. The next step is for the Division to review the submittal for compliance with the Solid Waste Management Rules (the Rules), 15A NCAC 13B .0547(1).

Should you have any questions regarding this matter you may contact me at (919) 508-8507.

Sincerely,

Ming-Tai Chao, P.E.
